About our School

The FUTURE SCHOLARS ACADEMY, BADURIA is a State-of-Art co-educational, English medium school of unique nature in the plethora of similar institution. It has emerged in the changing social fabric of this populous area with a view not only to disseminate education in the formative years of a child but also to harmonize his/her perception, emotion, personality character and interest oriented future through education for a simplified, purified and better balanced society. A child has to acquire the motivation and confidence to swim through the wavy upheavals of life's ocean to achieve a glorious future where posterity may resurrect itself in the panorama of rejuvenation.

It is built on a sprawling and serene green campus, with all necessary facilities at Baduria, 24 PGS(N), West Bengal provides fresh air and ample opportunities for the holistic development of the children who will be accomplished individuals in many ways, happy and confident of leading their lot to a bright future. The Future Scholars Academy believes that every child is unique and an effort is made to cater to his/her individuality.

A school, we believe, should be a place where a child loves to be in and not where he/she dreads to go.

Vision

Our vision is to create tomorrow's leaders who strive for academic excellence by acquiring knowledge through The FUTURE SCHOLARS ACADEMY's Creative experiences in the process to be the lifelong learners with a sense of conviction and commitment. We promise to create responsible GLOBAL citizens who have an understanding of global issues & work for the betterment of the society.

Mission

The mission of the school is to nurture young minds through the creative experience of The Future Scholars Academy team and their unique and stimulating Nurturing approaches that incorporate the best of national and international standard.

About our School
