

## TFSA Annual Report 2024-25

“Talent wins games, but teamwork and intelligence win championships.”

We believe that school education is a teamwork which contributes immensely to individuals to meet their aspirations by working and enhancing their basic skills. We at The Future Scholars Academy make it a point that everyone learns and becomes a kind and able citizen to lead a happy and successful life.

The Future Scholars Academy, which began its journey on the path of serving society back in 2020, is now becoming a fast-growing family with approximately 600 students and their families.

Being grateful towards the Almighty and believing in Divine powers, I take immense pleasure and feel privileged to present the Annual Report for the year 2024-25.

The academic year 2024-25 was immeasurably splendid proving that great things are not done by impulse, but by a series of small things brought together. Our team work was tremendous resulting in admirable outcomes.

The Future Scholars Academy is one of the flourishing institutions under the “Social welfare trust of Baduria” The blessings of God Almighty, aspirations of the Management, dedication of the teaching and non-teaching staffs, support of the parents and hard work of the students are the constituents, raising this institution to covetable heights.

The school has 649 students and 76 staff members on its roll & gives equal importance to the academic and co-curricular activities. –

In the Academic year 2024-25, the school reopened on 4<sup>th</sup> of April.

The school has a state-of-the-art infrastructure, and we provide the most modern and technologically advanced educational facilities of international quality, sports, yoga, and other co-curricular and health promoting activities for the benefit of the students.

The school has the provision of Rain water harvesting as well as other facilities as enumerated below towards its concern for environmental protection:

- a. The school has a Reverse Osmosis Plant.
- b. Segregation of Water at source and recycling and proper discharge of Waste.
- c. Green campus with a lot of plantations all around.
- d. Using energy saving Electrical equipment.
- e. Utilizing Solar energy to its best.
- f. An open lab for enhancing the inquisitiveness of children.

We have received our CBSE Affiliation up to senior secondary level under Bhubaneswar Region.

Our affiliation number: 2430376.

### AWARENESS PROGRAMMES & COMPREHENSIVE HEALTH PROGRAMMES.

Learning from experience has an exclusive worth in the present times. For this, various awareness programmes and health enhancing programmes were conducted.

- a. An awareness session against drug abuse and anti-tobacco was conducted by the NGO. The students actively participated in road show, slogan writing, drawing and painting etc.
- b. Counselling and special education orientation and awareness sessions were conducted.
- c. Debates & Street plays were conducted to promote awareness on various social issues.

Trainings:-

Every year, we organize and attend webinars and seminars to let learning go on for the current teaching, and learning trends necessitate regularly.

1. Our students attended many webinars, one of them was organized and resourced by Kolkata Nivedita Sakti on ‘Good touch and Bad Touch’.
2. Each of our teachers completed a minimum of 10 hours of training organised by COE of CBSE. Training on experiential Learning, Class room Management, Happy Class room, Stress Management, Gender Sensitivity, Life Skill, Assessment & Pedagogy, NEP 2020, School Health and wellness.
3. All the teachers attended Subject competency trainings organised by school.

### INTER SCHOOL ACTIVITIES AND ACHIEVEMENTS

The school gives equal importance to scholastic and co-scholastic activities. The students enthusiastically participated in cultural & literary activities and achieved a lot.

- The literary festival organised by AASS and our students participated in inter school competition.
- Kolkata Sahodaya conducted its cultural festival and our students participated. Sports play a pivotal role in instilling among our impressionable learners values that would hold them in good stead throughout their lives, such as, discipline, team spirit, sportsmanship etc. Our students participated in various championship tournaments at District, State & National Level.
- Students of our school participated in CBSE Regional Level and Selected for CBSE National level.

#### OBITUARY

In the month of July, 2024 we lost little flower Sayantika Mondal of class 5. We express our deep sorrow to the bereaved families and pray that her soul may rest in peace.

#### CONCLUSION

Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great." In the voyage of the discovery of excellence in the field of education, our endeavour of focusing on integral, sustainable, holistic growth and development of lifelong skills and values of 21st century alive in our thought, word and action continues. We believe that every Year brings changes with God Almighty's protection. Although our students engaged themselves in various co-curricular and life skill activities, top priority is given to academic performance. Remedial teaching, extra classes, revisions, periodic tests, class tests, assignments, interdisciplinary project work, end of term exams have kept them busy throughout the year. I render thanks to our Management, our teaching and non-teaching staff and my students and parents who have been with us in all our activities with maximum support and co-operation. I hope that the infinite opportunities provided to our beloved students and the incessant advice to keep a God-fearing nature, healthy friendship, love of Nature and concern for mankind will mould them as the best, who can face any challenges in future. Best wishes.
